

Inspiration Award 2012

nomination form

The Inspiration Award is given to a Faculty of Commerce staff member (UGO/BCC/Staff) who shows exceptional interest, passion, and dedication in the well-being of CUS students. Nominees for this award are always providing advice and support to others.

A catalyst to student success and a constant symbol of faculty involvement, nominees go above and beyond their obligations. The winner of this award is someone who guides, and more importantly, inspires.

This award differs from the Len Henriksson Award, in that it is awarded to a Faculty of Commerce staff member.
